

The Diamond Standard in 3D

IMAGE1 S 3D™

The IMAGE1 S 3D system from KARL STORZ sets another milestone in endoscopic imaging. The 3D system delivers brilliant FULL HD quality in both the 3D and 2D modes. Thanks to the modular design of the IMAGE1 S camera platform, the 3D system is not an isolated stand-alone system – a unique approach that offers the user a series of advantages.

It is recommended to check the suitability of the product for the intended procedure prior to use.
